

WEEKLY EXCURSIONS

SNORKELING

For those who would love to see the underwater but hesitate to take the deep plunge, snorkeling is a wonderful alternative. With just a snorkel mask and fin you can be witness to the activities of the many different species of fish on the unique Maldivian reefs. You are guaranteed to encounter playful fish and rare corals and perhaps a turtle or some other curious creatures too if you are lucky.

EVERY SATURDAY & TUESDAY 09:00 TO 11:00 (USD 20 per person)

SUNSET FISHING

Sunset fishing in Maldives is the most famous type of fishing. You can catch snappers, groupers, barracuda, jackfish and many more during sunset fishing while enjoying the sparkling breathtaking view, the rhythmic music of waves and gentle breeze amidst nature's splendor. The fish you catch will be served barbecued on the beach during the same evening.

EVERY MONDAY & FRIDAY 17:30 TO 20:00 (USD 20 per person)

HALFDAY ISLAND HOPPING

There are a lot of places to see around Maldives. It will be an ultimate experience to visit a local island or a fishing village and see the Maldivians way of life. It can be said that if you do not explore a local island in Maldives, your trip is incomplete. This is a wonderful opportunity to have a first-hand experience on the local life and also to do some shopping.

EVERY FRIDAY 14:00 TO 17:00 (USD 20 per person)

SNORKELING WITH WHALE SHARK

The whale sharks that you can find in the Maldives are rather small ones measuring on average between 4 and 8 meters. These magnificent gentle giants of the ocean draw visitors from around the globe. Exploring and swimming with the whale sharks is an experience that will last with you for a life time. This is your opportunity to see this magnificent creature, however luck plays a big role. Just in case you are passionate about statistics, you are more likely to see a whale shark.

EVERY SUNDAY & THURSDAY 08:30 TO 12:30 (USD 55 per person)

SUNSET PHOTO SAILING

There is no better way than taking a sunset cruise to capture the magnificent vista of scarlet skies, brilliant hues of lavender and rich blue wisps of clouds as the sun is about to set. A sunset cruise in the Maldives will give you the opportunity to enjoy the sunset in all nature's glory without any man-made interferences shadowing the amazing sight. Capture the awe-inspiring images of the sunset as a memoir of your great stay in the Maldives.

EVERY SATURDAY 17:30 TO 18:30 (USD 25 per person)

MANTA SNORKELING

Experience the excitement of seeing magnificent Mantas, these creatures are found in groups, if you are lucky you will get to take pictures and swim with these gentle creatures of the ocean.

EVERY WEDNESDAY 08:30 TO 12:30 (USD 45 per person)

Note: 10% SERVICE CHARGE & 12% G.S.T WILL BE ADDED TO THE ABOVE RATES
